DETAILED ACTION

Reasons for Allowance

- The following is a statement of reasons for the indication of allowable subject 1. matter: none of the prior art alone or in combination teaches auto-reversible toilet seat device comprising a toilet seat having a pair of plug holes; a pair of coupling devices selectively plugged into the pair of holes, the coupling device comprising an upper chamber and a lower chamber, a plurality of solid spherical members movable between the upper chamber and the lower chamber, a first passage disposed at a rear side of a longitudinal partition wall between the upper chamber and the lower chamber, a first doors pivoted to the first passage allowing the solid spherical members to move from the lower chamber into the upper chamber and prohibiting the solid spherical members from passing through the first passage in the direction from the upper chamber to the lower chamber, a second passage disposed at a front side of the partition wall between the upper chamber and the lower chamber, a second door adapted to close the second passage, and a spring supporting the second door in a close position and adapted to open to allow the solid spherical members to move through the second passage in one direction from the upper chamber to the lower chamber when compressed.
- 2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Huyen Le whose telephone number is 703-306-5504. The examiner can normally be reached on Monday-Friday from 9:00 am to 5:00 pm.
